## **Syntex IMPACT ERM® Suite among Software Demonstrations at the NAEM EHS MIS Conference**

**Houston, Texas** (March 31, 2009) – Syntex Management Systems, Inc., world's leading provider of enterprise risk management solutions, is pleased to announce that Denver Roopchand, Director of Corporate HSE and Risk Services at Exterran will provide a live demonstration of Syntex IMPACT ERM® suite at the NAEM EHS MIS Conference taking place April 2-3, 2009 in Tampa, FL at the Doubletree Hotel. Registered attendees will have the opportunity to interact with Denver as he discusses "A Journey to Enterprise Loss Prevention" and highlights the key requirements to effectively manage risks across the enterprise.

The conference entitled "Driving Cost Savings and Performance Improvements Through EHS Management Information Systems" will feature a variety of software demonstrations given by the in-house EHS & sustainability professionals who participated in the selection and implementation of the systems. Syntex is honored to have Dr. Roopchand discuss the IMPACT ERM® suite at the conference.

IMPACT ERM® Suite is a comprehensive Enterprise Risk Management solution that helps companies dramatically improve Operational, Quality, Security, Health, Safety, and Environmental performance will be among those products presented. Today, global industry leaders deploy IMPACT ERM® Suite worldwide to reduce losses and improve performance by automating regulatory reporting and enabling in-depth analysis of key operational metrics at site and enterprise levels. The software solution seamlessly integrates Incident, Near Miss, and Investigation Tracking with critical processes such as Corrective Action and Assessment Management, Knowledge Sharing, and Comprehensive Analysis and Reporting to achieve effective safety culture improvement and continual first-class EHS performance.
