

FOR IMMEDIATE RELEASE

Syntex Management Systems, Inc. to Showcase IMPACT ERM® Suite at Greater Houston STEPS Vendor's Day

Houston, Texas (July 15, 2010) – Syntex Management Systems, Inc., world's leading provider of enterprise risk management solutions is proud to be a sponsor of the Greater Houston STEPS Vendors' Day event on July 20, 2010 at the Humble Civic Center in Humble, TX. The Greater Houston STEPS Network consists of members from the oil and gas operating companies, oil field service providers and several companies supplying safety and training to the oil field. Vendors' Day is an opportunity to network with other members and learn about new and innovative ideas for safety and environmental protection. The complimentary one day event is open to non-members. For more information about the Vendors' Day event please visit <http://www.greaterhoustonsteps.com/>.

Syntex's IMPACT ERM® Suite software solution provides operational leadership with increased visibility into the various risk exposures within field operations by enabling organizations to collect and analyze pertinent data needed to measure safety performance in one enterprise-wide system. Attendees will have the opportunity to discuss how Syntex has enabled world-wide industry leaders identify and collect exposures to risk before they cause loss events and execute management systems and operational processes more effectively for continuous world class performance. For well over a decade, Drilling, Energy, Chemicals, and Process Manufacturing industries have improved their Health, Safety and Environmental (HSE) performance by delivering IMPACT Leading Indicators including HSE Reporting Culture, Leadership Commitment & Involvement, Action Responsiveness, and Risk Reduction. For more information about Syntex software products and services or to enquire about upcoming events and conferences contact Syntex at info@syntexsolutions.com.
