

**FOR IMMEDIATE RELEASE**

## **Syntex Management Systems, Inc. To Host Continuous Improvement Seminar in Calgary, Alberta, Canada**

**Houston, Texas** (October 12, 2009) – Syntex Management Systems, Inc., world's leading provider of Enterprise Risk Management (ERM) software solutions will host a Seminar "A Journey to Operational Excellence" as part of its Road Show series. The half-day seminar will take place in Calgary, AB, Canada on Tuesday, October 13, 2009 and will comprise of a morning session that will be repeated in the afternoon. This seminar combines the knowledge of many of the world's leading HSEQ experts to provide a clear and simple picture of excellence in terms of work practice performance. It outlines the phases of the journey to achieve operational excellence, a journey that is currently being undertaken by six of the global fortune top ten companies. It describes the activities required and the benefits that can be realized with each phase.

As Syntex's flagship product, IMPACT ERM<sup>®</sup> Suite is a comprehensive Enterprise Risk Management software solution that helps companies dramatically improve Operational Health, Safety, Environmental, Quality and Security performance will be among those products presented. Today, global industry leaders deploy IMPACT ERM<sup>®</sup> Suite worldwide to reduce losses and improve performance by automating regulatory reporting and enabling in-depth analysis of key operational metrics at site and enterprise levels. The software solution seamlessly integrates reactive elements including Incident, Near Miss, and Investigation Tracking with critical, proactive processes comprising of Corrective Action and Assessment Management, Knowledge Sharing, and Comprehensive Analysis and Reporting to achieve effective safety culture improvement and continual first-class HSEQ performance. A live demo and product overview of the software solution will be showcased at the seminar.
